Land on 1.13 Acres

ROSEDALE TERRACE, Rosedale, MD

This is an exceptional and rare opportunity to acquire 1.13 acres of total seclusion and privacy, nestled within the Beltway.

Surrounded by nature, the land offers a tranquil retreat that feels miles away from the hustle and bustle of city life, yet remains conveniently close to all the amenities and attractions the area has to offer. The property boasts a rustic, natural charm, with mature trees, rolling terrain, and a peaceful atmosphere, making it an ideal sanctuary for those seeking solitude and a connection with nature.

The rugged terrain adds to the property's beauty but may present challenges for development. It could limit certain types of construction, so buyers should consider the possibilities carefully. However, it is an ideal location for a large single-family home, especially a log cabin or a design that complements the natural surroundings. The property is located at the end of a quiet, low-traffic street, ensuring a high level of privacy and peace. Despite its seclusion, it is well-connected with access to public water and sewer systems, making it a practical and viable location for building a dream home. Whether you envision a cozy cabin retreat or a more expansive custom home, this unique piece of land provides a perfect canvas for creating something truly special. With its rare combination of privacy, natural beauty, and proximity to urban conveniences, this property is a one-of-a-kind find that offers the best of

both worlds: an escape from the city, without sacrificing accessibility to everything it has to offer.
